Applying for a Notice of Eligibility (NoE)

- ☒ If you hold a Chief Mates CoC from India, you may be eligible to do your Masters CoC from the UK. It is advisable that you should apply for your Notice of Eligibility (see procedure below) with the MCA.
- ☒ Students need to apply for an NoE to the Maritime and Coastguard Agency (MCA), UK to be eligible to sit for the oral examinations in the UK.
- ☒ You can apply for your NoE from India prior to going to the UK or you can apply for your NoE during your stay in the UK.
- ☒ It is not necessary to be in possession of NoE for booking the course.
- ☒ However, if you have doubts that some of your sea-time may not be counted by the MCA for whatsoever reasons (for e.g. missing documents, no stamps on the CDC, company did not give sea service letter, etc.), it would be advisable to do your NoE before booking your course.
- ☒ The processing time for the NoE is normally 28 working days but it may extend to a few months also if the MCA is not satisfied about the authenticity of your documents. If your documents are found to be forged, all your documents will be seized and you will not be allowed to sit for exams in the UK again.

The following is the procedure to apply for a NOE

- ☒ Take a printout of the NoE form MSF 4274 and fill up the NoE form.
- ☒ Enclose your NoE application form, Passport, CDC, CoC, Sea Service Letters / Masters testimonials, Medical Fitness Certificate, 2 passport size photographs and a payment of £ 220 has to be done in favour of the MCA, UK using the online link given on the NoE form.
- ☒ Please note that all documents have to be in original except for the Passport whose notarized photocopies are to be sent.
- ☒ Send the documents by a good courier for e.g. DHL and check on the DHL website when the documents have been received by the MCA.
- ☒ If you have not got any information from the MCA after 30 days, please send an email to the MCA mentioning your Name, Date of Birth and Courier consignment number ask them, what is the status of your NoE.
